In addition to being your record of completing labs and assignments, this book is the only form of notes you will be allowed to bring to the OSM620 midterm and final tests.

You may only bring pages for labs and assignments you have completed to tests, and you must hand-write your notes. **Use your own words for your notes.**

You may not add additional pages or change the structure of this document in any way. **There are 22 pages.** Print double-sided.

Do not write on pages *without* headers.

Do not disclose the notes in your lab logbook to other students.

- This page left intentionally blank. Do not write notes here. -
